

*Memorandum*

TO : EO/OEL

DATE: 20 November 1964

cc : 

FROM : DAD, S&amp;D

SUBJECT:

The Design Review Board for  had a report dated 21 September 1964 in which a number of recommendations were developed. These recommendations pertained to the aircraft electronic defense system, SIGINT collection system, signal and data reduction system and the communications system.

Could you please let me know which of these recommendations are being implemented and which you intend to disregard.
